Haws Corporation® to Showcase HydrationStation™ at National Fitness Trade Show

[Sparks, Nevada, USA] – Haws Corporation® is proud to announce their participation in the 28th annual National Fitness Trade Show (NFTS) August 18-20 at the Grand Sierra Resort. Haws Corporation will be exhibiting their revolutionary new product the HydrationStation™ - a hands free, sensor operated, filtered water dispenser. The HydrationStation™ hooks up to a municipal water line, and uses state-of-the-art filter technology providing the user with completely safe, clean tap water. The HydrationStation™ allows business owners to eliminate bottled water usage in their facilities and helps them become environmentally friendly and “Green.” All NFTS attendees will be eligible to enter a drawing to win a free HydrationStation.

About Haws Corporation

Haws Corporation manufactures drinking fountains and emergency equipment for a diverse set of industries. Focus areas include educational centers, recreational parks, and industrial complexes, as well as, petrochemical production facilities.
