

FEATURES & BENEFITS

CONSTRUCTION

Heavy-duty 14 gauge Type 304 Stainless Steel bottle filler and drain brackets with a satin finish that resists stains and corrosion, and have soft rounded corners. Unit features vandal-resistant bottom plates, and a serviceable/replaceable dispensing nozzle.

FOUNTAIN VALVE

Bottle filler incorporates a touchless sensor operated stainless steel solenoid valve controlled by a transformer for handsfree operation. A pressure regulator is used to adjust the bubbler flow according to incoming water pressures.

VANDAL RESISTANT

The nozzle, sensor, and bottom plate are locked in place, discouraging unwanted vandal tampering, and 30-second obstruction time-out to reduce tampering of sensor.

IN-WALL DRAIN

Drip tray captures unused water and lets it drain to the facilities waste lines.

ADA COMPLIANCE

ADA-compliant bottle filler required for wheel chair use, and for the standing person.

LAMINAR FLOW

Adjustable, splash-free, 1 gpm (3.78 L) laminar flow.

SPECIFICATIONS

1920 / BP15 / BP6 / 6468

Order these items to make up the Model 1922HO fountain with stainless steel back panel, bottle filler with stainless steel back plate, and fountain mounting plate shown above.

FOR INDOOR USE ONLY

APPLICATIONS

This type of wall mounted bottle filler may be placed in settings such as schools and other locations in and around office buildings with existing fountain installations where the temperature remains above freezing. Haws manufactures drinking fountains, faucets and electric water coolers to be lead-free by all known definitions including NSF/ANSI/CSA 61-Section 9, NSF/ANSI/CSA 372, California Proposition 65, and the Federal Safe Drinking Water Act. Product is compliant to California Health and Safety Code 116875 (AB 1953-2006), and 116876 (AB 100) "NSF/ANSI/CAN 61: Q \leq 1".

This product requires a mounting plate; either the 6700 in-wall or the 6700R on-wall support plate.

OPTIONS

- Water Filter: Model 6480 filter kit with 3000 gallon carbon block filter, filter head, and mounting bracket.
- Mounting Plate: Model 6700, in-wall mounting plate for model 1920.
- Mounting Plate: Model 6700R, on-wall mounting plate for model 1920.
- Support Frame: Model 6800 In-wall floor mounted fixture support legs, welded steel 4-bolt floor flanges, and supplied with 'U' bolts and hardware.
